**The Vice Chancellor writes .....**

Dear Friends:

I write to invite you to become a Friend of the United Church of Zambia University.

As the Vice Chancellor of the University, I know how important this appeal is to students who are preparing themselves for service as well as to those upgrading their education for both undergraduate and post graduate degrees.

We began this millennium by offering a degree in theology in collaboration with the University of Western Cape in the Republic of South Africa. This fresh development came at a time when the University has already successfully provided excellence in theological training and ministers for the Church over 50 years since 1949.

The UCZ University has, through the years focused on quality teaching and student support. Numerous testimonies of our graduates now serving in the United Church of Zambia and other Churches as ministers, and those who are in government, show years of appreciation for this. The present fundraising appeal is geared to providing both more ministers and better educated citizens for the Zambian community and beyond. It is focused primarily on teaching facilities, students scholarships, residence, library, evangelism, and your prayers for the ministry and needs of our University.

With grateful thanks for your support.

Rev. Dr. Jonathan Kangwa  
**VICE CHANCELLOR**
